Sending Entries

To send your entries on-line - from your personal or parents/guardian email account, simply email your files as attachments to:

youthbodrabof@gmail.com

They will be recognised as an entry because of the attached files. Should the picture files be too large, they can be sent individually. Most email servers will not allow the total message to be larger than 20 MB so by keeping your images in the 1-8 MB range, you should be able to get through. If that is not successful, then we recommend using a cloud server. This is an on-line facility that allows you to upload large files and then we can down-load them. There are a number available and an on-line search should locate them – many offer free trials. But try the email first, it will save time and it is easier to use in the first instance. If you still have trouble, we can set up a Dropbox link for you. Once we have received your entry, you will receive an acknowledgement of having received your email.

To send entries directly – post your CD Rom or USB Memory Stick to: BODRA , PO Box 207, St Marys TAS 7215
